### Proposal – Placment correction after Disqualification

Dear delegates of the session 2019,  
on behalf of the technical commission I would like to propose the following additional regulation to the organization and sporting code:

1) In case of tournament disqualification (especially after the event/ in the final round) we correct results ONLY inside the medal ranks.

(Place 2 become 1 ... 3<sup>rd</sup> become 2<sup>nd</sup> 5<sup>th</sup> can get 3<sup>rd</sup> )

2) In case of two possible athletes getting “upgraded” the one who lost against the person which is to replace will get “promoted”

3) If both lost against this athlete the one which lost “later” in the bracket will be promoted. If that happen in the same “level” better result counts.

1

With best regards

  
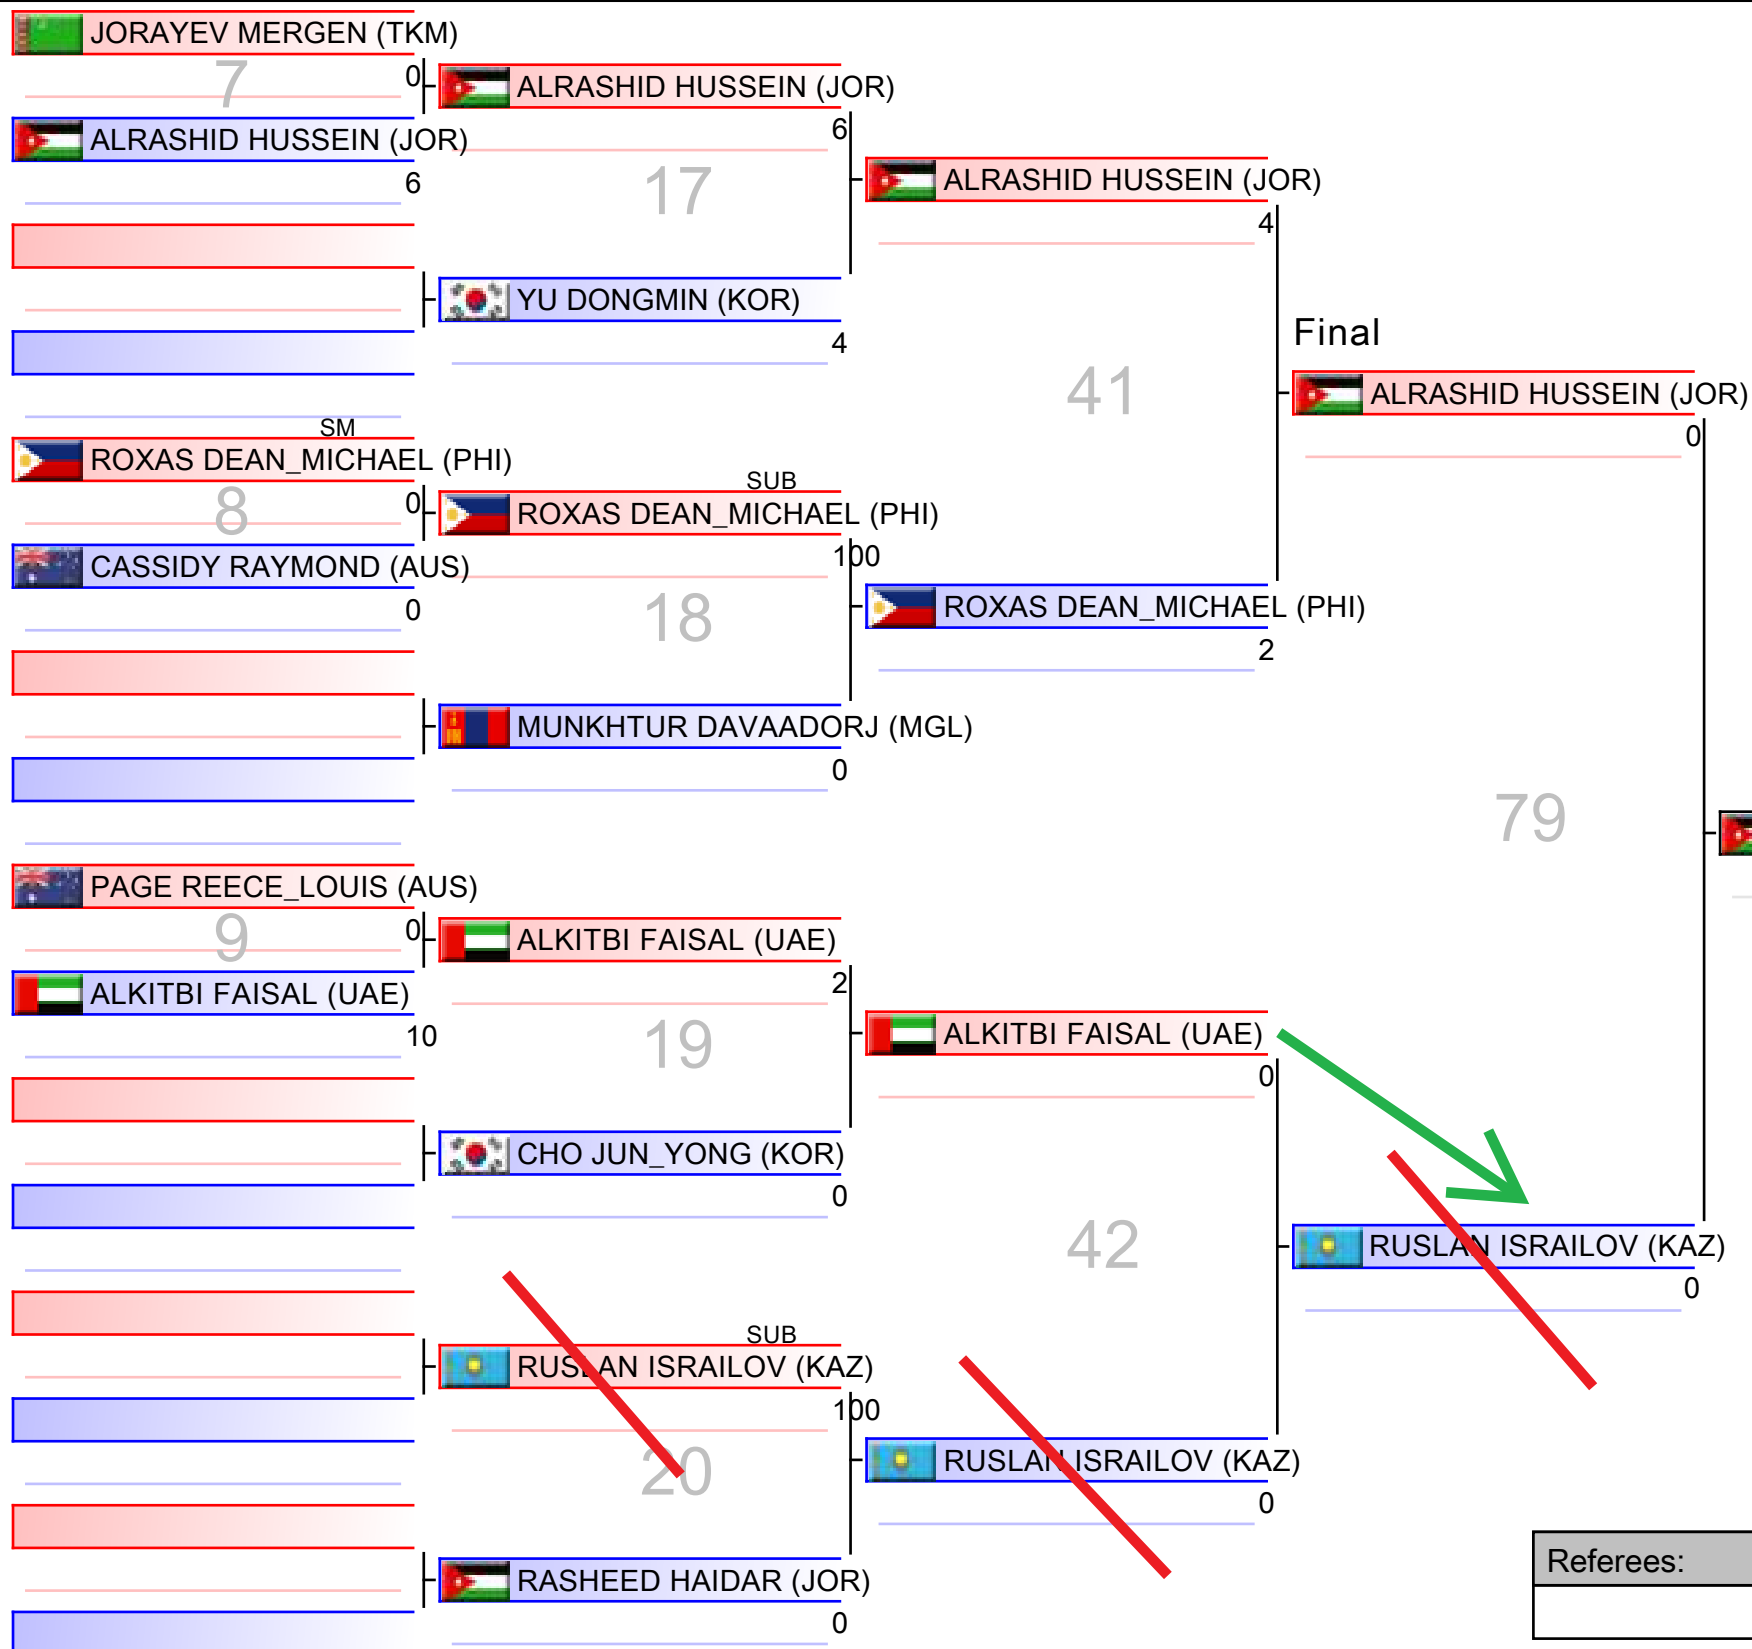

Joachim Thumfart

Attached Example is the DQ of 2<sup>nd</sup> place for unsportsmanlike behaviour after finalizing the fight
